

Investing in deserving students

Scholarship Fund

In creating a Scholarship, you invest in your community's future and show students you care. Your community foundation provides the expertise to help you meet your personal goals and awards Scholarships to deserving students. Your gift can help students—from preschool to postgraduate—achieve their lifetime dreams.

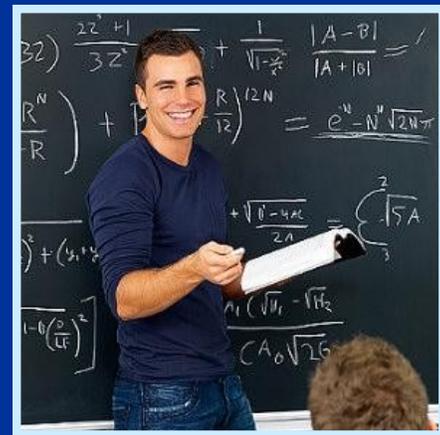

How it works:

- You make a gift to your community foundation—you can give cash, appreciated stocks, real estate, or other assets. We set up a Scholarship in your name, in the name of your family or business, or in honor of any person or organization you choose.
- You receive tax benefits in the year your gift is made.
- Our professional program staff helps you to determine eligibility requirements for the Scholarship you establish—whether they are based on a student's field of study, academic achievements, extracurricular activities, financial need, background, or geography.
- We handle all the administrative details—and award Scholarships to deserving students in the name of the fund you establish.
- Your gift can be placed into an endowment that is invested over time. Earnings from your fund are used to make grants addressing community needs. Your gift—and all future earnings from your gift—is a permanent source of community capital, helping to do good work forever.

Valuing education

A couple years into a comfortable retirement, Mr. and Mrs. DiAngelo, both former teachers, realized how much they missed making a difference in the lives of students. "For both of us, education was not only a profession—it was a calling," says John DiAngelo. Looking for a way to stay involved, the DiAngelos started a Scholarship Fund with their community foundation. They wanted Scholarships made in their name to benefit students interested in becoming teachers. "The community foundation helped us create our legacy. It's a wonderful feeling to let students know we still care," says John. "The community foundation does all the administrative work involved in determining the most deserving students," says Rose DiAngelo. Over the past three years, The DiAngelo Education Fund has provided six scholarships to the next generation of teachers.

Depending on your preferences, the Scholarship you establish can support any area of academic need, including tuition, fees, and books.
